

In this edition:

- ☼ Really spring;
- ☼ Corona situation in Finland;
- ☼ New wifi booster;
- ☼ Last minute offer;
- ☼ Book without a risk.

☼ - Really spring - ☼

Spring has begun!
A lot of snow fell last winter, up to knee deep. More than in previous years.
The snow plow has had to clean the entrance to the site many times.
Fortunately, that service is there, otherwise we would be completely isolated.
The last snow has just melted away and the first flowers, such as crocuses, snowdrops, daffodils, coltsfoot and winter aconites are in bloom.
The birds are very active and the first 'houses' are already inhabited.

I wish you a very beautiful spring.

☼ - Corona situation in Finland - ☼

At the moment (20-05-2021) 90,946 inhabitants in Finland have been tested positive for the corona virus. 929 people have died from the corona virus. Compared to many other countries, Finland has the Covid-19 virus well under control.
Entry restrictions have been relaxed for Finland, so that travel to Finland is possible again. A negative test result, proof that he / she has previously had COVID-19 disease or a vaccination certificate entitles a foreigner to enter Finland.

Actual corona information in English.

☼ - New wifi booster - ☼

The WiFi range in and around the cottage was not always optimal.
That is why a WiFi booster has been purchased, which has a range of more than 500 meters. This now guarantees a good reach on the entire site, including the jetty :-). Because we have wireless internet ourselves (there is no cable here), the speed is up to 100Mb. More than enough to email, chat and surf. With this we want to offer our visitors an extra extensive and free service.

☼ - Last minute offer -10% - ☼

From May 1st. we have a last minute offer.

If you book within 14 days before arrival you will receive a discount of 10%. If you want to make use of this, use the discount code that you will find [here](#). [Here](#) in Finnish. The month of July is now fully booked.

Cancel Booking?

If you have to cancel your booking due to force majeure (e.g. corona measures), you will receive either a voucher or your money back. **Guaranteed!**
So you do not run any risk.

Until the next Newsletter

With kind regards,
Han van de Graaf
